## MSE BRAND FEATURES & BENEFITS

MSE approved this product using the market's most exhaustive testing protocols, including: environmental stress testing, accelerated aging testing, shipping simulation and yield testing.

## OEM INFORMATION

First released in May of 2014, the HL-L9200 series was designed for the SMB market.

Every aspect of our MSE brand products, from quality and reliability to aesthetics and environmental impact, is thoroughly analyzed on an ongoing basis. We look for areas of improvement beyond the industry standard and create ground-breaking technologies to keep pace with OEM design. The result is Your Best Alternative to the OEM.

Advanced Color Technologies is the culmination of years of research, development, and employed resources with the goal of providing the industry's best OEM-alternative for color toner cartridges.

ISO 9001:2008 certification is a global standard that the world's leading companies use to establish quality management system. ISO 9001:2008 connotes quality to global consumers and MSE brand adheres to these standards and strives to continuously improve, therefore providing the best customer experience.

Ensuring long-term quality and reliability is the foundation of customer satisfaction. We understand that without strict adherence to quality standards, you simply cannot have a product that is competitive to the OEM. Our commitment is ensured by the rigorous 5-step QC process in the industry.
