

# High Performance Color Laser Toner Cartridges

Make A Bold Statement

• • •

Color is a powerful visual component of any presentation, flyer or business proposal. Used effectively it can favorably impact business perception and influence customers. For color quality you can trust, there's only one choice. Clover Imaging's high quality color cartridges are engineered to provide consistent and vibrant color from the first page to the last.

While most aftermarket cartridges use conventional toner, cartridges featuring ColorLogic™ technology are developed using state-of-the-art chemical toner to provide consistent rich colors that perform as well as, or better than national brand cartridges. Clover Imaging's large product offering supports all the top national brands including HP, Brother, Canon, Dell, Lexmark, and more.

## KEY BENEFITS:

- Significant savings over national brand cartridges
- 100% performance guarantee
- Wide product assortment
- 100% post tested
- Environmentally friendly solution
- Peak performance and consistent, vibrant color output
