

# Recycling for a Greener Workplace

---

## Benefits of the Program:

### **Green Program for your Customer**

Businesses want an environmentally friendly way to return empty cartridges and this program provides a FREE solution!

### **Lock Out the Competition**

Collection programs can be a back-door entrance for the competition.

### **Visibility to Ink & Toner Usage**

Identify future opportunities for conversion based on returned product.

### **Ensures Product Availability**

The cartridges collected provide a constant stream of empty cartridges that are used to produce Clover brand high-quality remanufactured cartridges.

Customers are seeking out environmentally responsible recycling programs as a way to reduce the environmental impact of their workplace.

We offer a hasslefree, turnkey program that makes it easy to collect empty ink and toner cartridges for remanufacturing. This program is simple to implement with zero risk and great reward!
